As per the constitution the parents are required to bring to the notice of the respective class representative of any common issues pertaining to the class, suggestions, grievances and feedback. The PC is the main point of contact for the parents to inform any such issues. Parents are kindly encouraged to use this established channel to contact the Board. However, the Board and the Principal too are accessible due to urgency of requisite action.

We take this opportunity to wish elected members of the PC all the very best in performing their duties in accordance with the constitution of the School. We are hopeful that the members would maintain the decorum of the office as expected in the constitution and would maintain a very cordial relationship with the Board of Directors and the School. Further, we expect the fullest cooperation of the parents and the PC in discharging the responsibilities of the Board especially in the area of development.

On behalf of Board of Directors

Ratnasiri Jayasinghe
Hon. Chairman
