

SRI LANKAN SCHOOL - MUSCAT

Principal's Communiqué 4 – (2014/2015)

Dear Parents,

As I informed you, the emphasis of the school in the second and third terms will be on academic work. I have instructed the staff not to involve students in any non-academic work while the school is in session.

Students too have been advised that they should not miss a single period for any reason. I have promised the staff that the school management too, would not call a student from a class unless it is for a reason that is unavoidable, in which case a written note would be sent to the teacher.

The above is especially applicable to the students in the examination classes. Teachers of Advanced Level classes have already sent their action plans for the rest of the term to parents.

However there are a few items left to be completed this term too.

SPORTS PRACTICES

The practice schedule for sports is sent to you with this communique. If you want your child to join the practices, please complete the application form which is available with the sports coordinators and send it to the Deputy Principal.

It is strictly emphasized that students who stay after school should be picked up at the end of the event. There have been many instances where the children have not been picked up for over 2 hours after the event. The school does not have personnel to take the responsibility of looking after the students for long hours after the event.

INTER HOUSE EVENTS

Inter House Drama and Inter House Quiz Competitions will be conducted this term. Practices for Drama competition will be conducted only after 4.30 p.m. as teachers in Years 11, 12 and 13 are conducting extra classes and clinics after school.

KIDDIES SPORTS MEET AND CONCERT

The Sports Meet of Foundation Stage and Key Stage 1 children will be conducted on 22 January. The concert of Foundation Stage and Key Stage 1 children will take place on 26 February. Practices and rehearsals will be conducted during school hours.

Somabandhu Kodikara

Principal
